# ***SERVICES WE OFFER***

## ***AIR FREIGHT***

Our air freight services include options for express, standard, and economy shipments for both domestic and international destinations. We have established relationships with a global network of carriers and offer competitive pricing and reliable service.

## ***SEA FREIGHT***

We offer a range of sea freight services, including FCL and LCL shipments, as well as specialized services such as project cargo, breakbulk, and RORO. Our global network of carriers and agents allows us to offer flexible routing options and competitive pricing.

# ***SERVICES WE OFFER***

## ***LAND FREIGHT***

Our land transportation services cover trucking, rail, and intermodal transportation for both domestic and cross-border shipments. We can handle all aspects of the transportation process, including customs clearance and border crossing formalities.

## ***CUSTOMS CLEARANCE***

Our team of experienced customs brokers can provide assistance with all aspects of customs clearance, including document preparation, tariff classification, and duty drawback. We can help ensure that your shipments comply with all applicable regulations and avoid delays or penalties.

# ***SERVICES WE OFFER***

## ***PROJECT SERVICES***

We have experience handling complex project logistics, including oversized and heavy-lift cargo, and can provide customized solutions to meet your specific needs.

## ***Warehousing***

We offer a range of warehousing and distribution services to support your supply chain operations, including inventory management, order fulfillment, and value-added services such as labeling and kitting.

# ***SERVICES WE OFFER***

## ***LOGISTICS SERVICES*** ***4PL (Fourth-Party Logistics)***

we offer a comprehensive and integrated approach to supply chain management. Our 4PL solutions are designed to help our clients optimize their logistics operations, achieve greater efficiency and cost savings, and improve visibility and control across the entire supply chain.
